

Eisenhower Cruise

The May social event was the Eisenhower Cruise. We had 42 people go on the cruise to Gettysburg and dinner stop on May 20th. Keeping 21 cars together seemed a challenging task at first, but everything went well. No one got lost or forgotten. Everyone had an enjoyable time cruising the countryside and touring Eisenhower's house and grounds. The museum on the grounds had many treasures of the Eisenhower's on display. We also had time to see the many Civil War artifacts at the Visitors Center museum. The cruise was topped off with a very good dinner at the Crazy Horse Steakhouse and Saloon.
