

September Cruise

The September Cruise with Dinner at LaMott's Restaurant was Sunday, Sept. 24, 2006. Thirty people turned out for the drive through the countryside. The day started out a little dreary but cleared shortly before we left and continued to be a clear and balmy day. We leisurely cruised over many back roads and enjoyed the beautiful scenery. Our destination for dinner turned out to be an excellent choice, as indicated by the positive response of the group. Everyone was pleased with their dinner at LaMott's in New Freedom. We enjoyed good conversation and fellowship as Galen and Ellis kept everyone in stitches. After dinner many of us also stopped for ice cream at Jim Mack's on the way home. As dusk came upon us and the cruise was ending we realized tomorrow was back to reality. The toys are put away until the next cruise.
