

## President's Message—Mary Anne Lewandowski

### *Hello Friends,*

Welcome Summer! I hope you're enjoying these long summer days (and your air conditioning is working well).

Congratulations to Kurt and Joanie Steidle on chairing a very successful Corvettes at Stauffer's of Kissel Hill Show. Thanks to everyone who pitched in to volunteer and to those who entered their Corvettes. Angie and Rick Evans chaired the AMT Happy Together Tour evening. All attending had a great time and enjoyed reminiscing upon hearing the songs of their youth! Thanks to Tony and Lisa and all those who sold raffle car tickets at GM Nationals. Attendance at this show was down a bit this year, but we managed to make a dent in the stack of unsold tickets. Speaking of raffle car tickets, thanks to everyone who is putting in the effort to help sell our 1,000 tickets! Remember that we accept cash or checks for these tickets. Due to PA laws, we cannot accept credit cards for tickets.

Looking forward, we have the Jak Frost Ice Cream Run chaired by Jesse Landis, Prima Theater's Piano Men Outdoor Show at Greenfield Park led by Steve and Jeanne Colucci, and the LCCC Ice Cream Social at Oregon Dairy. If the weather remains as hot and humid as it has been recently, these activities are going to be very well-received!

Finally, on a personal level, I am grateful for each of you who have reached out with prayers and well-wishes after my recent fall. I'm doing reasonably well – and learning to appreciate the importance of having two working hands.

I'm looking forward to seeing each of you out and about in your Corvettes!

Motor On!

**- Mary Anne Lewandowski**

## The Corvette That Started It All

At the National Corvette Museum, every Corvette has a story. But few are as foundational, as symbolic, and as historically significant as the 1953 Corvette once owned by Corvette Hall of Fame member Ray Quinlan. Today, that very car, the first vehicle ever donated to the Museum, has returned to display following a meticulous partial restoration by our vehicle preservation team. Making it look as iconic as the day it first turned heads in 1953.

## **A Hand-Built Beginning**

General Motors produced just 300 Corvettes in 1953, all hand-assembled in a delivery garage off Van Slyke Road in Flint, Michigan. Each was painted Polo White, with vibrant red interiors, a black soft top, and powered by a 235-cubic-inch Blue Flame Six engine paired with a Powerglide automatic transmission. The design was elegant, the engineering ambitious, and the result? The day America's Sports Car was born.

## **The Car That Launched a Legacy**

More than a car, this 1953 Corvette served as the spark behind an idea that would grow into the National Corvette Museum. At a 1988 meeting of the National Corvette Restorers Society in Cypress Gardens, Florida, Ray Quinlan listened as attendees discussed creating a non-profit library and archive for Corvette research. Quinlan didn't just talk; he offered his 1953 Corvette to the cause.

That bold gesture was more than generous. It was catalytic. His donation shifted the conversation. Suddenly, the dream of a library became something bigger, a Museum dedicated to preserving and celebrating the legacy of Corvette. When the National Corvette Museum opened its doors in 1994, Quinlan's 1953 was front and center, the first Corvette on display.

## **A Return to Showroom Shine**

In 1993, Quinlan's Corvette was officially donated to the Museum annex. Thirty years later, the vehicle preservation team took on the responsibility of honoring that donation by enhancing the car's visual integrity. The restoration was partial, focusing on paint, body, and interior details that elevate the authenticity and presence of this cornerstone Corvette.

Now complete, the Quinlan Corvette has returned to the spotlight and is once again proudly displayed in the Museum. Visitors can see the car that helped launch not only the Corvette as an American icon, but the institution that now safeguards its story.

# NCM Ambassador's Corner—Mary Anne

## Preserving the Past. Driving the Future.

This restoration reflects more than a fresh coat of paint. It represents the Museum's commitment to preserving the legacy of Corvette in every detail for every generation. Whether you're discovering the 1953 Corvette for the first time or returning to see an old friend, the Quinlan Corvette invites you to witness the origin story of Corvette—and the Museum itself.

To plan your visit or learn more about our vehicle collection, go to [www.corvettemuseum.org/visit/](http://www.corvettemuseum.org/visit/). Because history like this deserves to be experienced, not just remembered.

# Front Page Feature Corvette—The Coury's

***We just welcomed a second Corvette to the garage...***

It is the limited edition 2016 Z06 C7R. VIN: 009 of the 500 US produced.

Many of you may know this rare car. It was formerly owned by Ron and Jessie Grove of the Skyline Drive Corvette Club. A great couple, always well known and highly respected in the Corvette Community and big supporters of the Corvette Museum and Corvette racing. Ron and Jessie ordered the C7R, walked through every step of the build process and topped it off with a Museum delivery. Under the hood of this yellow beauty are signatures of many of the Corvette Race Team members and Corvette executives and engineers, including Tadge Juechter.

Truly, the car was very special to both Ron and Jessie.

Sadly, Ron passed away August of 2024 and is greatly missed by all who knew and loved him.

At the April 2025 Museum Bash Racing Dinner, Mobil 1 honored Ron as they presented Jessie with the legendary limited edition Mobil 1 Oil Drop award. The coveted award was graciously accepted by Jessie on Ron's behalf and donated to the Museum.

My wife Anne and I were recently blessed, honored, and thrilled when Jessie offered us the opportunity to provide the C7R its second loving home. To Anne and I it's more than just a Corvette, we will always think of it as Ron and Jessie's Corvette. Two very special people with a very special Corvette.

# 2025 Activities—Governor's Report East Region

## NCCC East Region Governor's Meeting Saturday May 31, 2025

We met at 12:30pm in the Holiday Inn at Classic Auto Mall in Morgantown PA as part of the East Region Extravaganza. We were reminded that there are several more raffles this year. We should congratulate Clyde Mooney for winning a raffle for a set of tires.

Michelle Cantelmo made a lap quilt that will be raffled off to benefit the East Region. There is a need for help to man the NCCC Hospitality tent with Michelle, as all the other board members will be at the convention in Wisconsin. Please email Michelle with the day and time you would be available to help.

There is a discussion on a national level about trying to cut expenses to help balance the budget. There is a proposal for a standing rule change to raise NCCC dues. As proposed, the Primary and Enthusiast Member dues would increase from \$25 to \$40, Spouse/Companion dues would increase from \$10 to \$15. Lifetime Membership would increase from \$300 to \$500. This will be voted on in September 2025. We discussed the cost of dues paid by member to their local club, in addition to their national dues. One Delaware club was \$120 per year, another ER club was \$90-\$115. This club also has a Cars & Coffee event every Sunday and all activities pay for themselves.

We currently have 2065 member in the ER, and 16,724 nationally. We have East Region hats available for \$20. They can be bought on the ER website.

We wrapped up the meeting just in time to start the 7 sanction Funkhana as part of the ER Extravaganza. There were several carnival style games of skill set up throughout the hotel. 26 ER members participated in the Funkhanas Saturday afternoon. 36 members participated in the car show on Sunday. I think we should promote some of our car show sanctions as Funkhanas to draw in points chasers from outside of our club, and possibly boost attendance.

## 2025 Activities

### Christmas Angels

Thank you to everyone who signed up at the June meeting to make a theme basket. We had 12 people commit to making a particular type of basket. This is a good start, but we need many more. For those who were not at the last meeting or who were not sure at that time what type of basket they wanted to make, we will be passing around the sign-up sheet again at the July meeting. You don't need to stick to our suggested list of themes. In addition to a few suggestions on the back of the sheet, there is room for a theme of your choice.

We have many baskets of varying sizes. Let me (Deb: 717-664-2338) know what size you might need, and I will bring a bunch of baskets to the next meeting.

**Completed baskets should be held and brought to either the August or September meeting.**

We'd like all members to contribute to the auction/raffle, so if you're not comfortable making a theme basket, consider donating a gift card. The amount of the gift card and the business is strictly up to you. There will be a separate sign-up sheet for this at the July meeting.

We are planning to continue the tradition of putting together baskets of random items. If you have anything you'd like to contribute, bring it to the next meeting. Just a reminder that items should be new or in new condition.

**People look forward to our raffle and auction, so let's not disappoint them.**
