

## President's Message—Kurt Steidle

### Reminders

This month will be a quick message and one focused on some reminders. First, the East Petersburg Fire Company is undergoing some remodeling. The Borough of East Petersburg is moving some offices into the fire company building near the fire hall. Originally when we were informed of the construction, it was thought that we could use the side entrance to the hall. Unfortunately, that was not how things turned out at last month's meeting.

The August 9th General Membership Meeting will be held at the home of Ed and Deb Sumpman. They have graciously offered the use of their garage where previous club get-togethers have been held. I have already distributed a map to their home in an e-mail blast but just to make sure you all have their address, it is: 2234 Hilltop Road, Manheim. A major side benefit of this is since Deb is chairing the Christmas Angels event this year, their garage is where all the items will be held and prepped ahead of American Legends. That means there will be less transfer of goods from the fire hall

to their home. Please see an article from Deb on Page 4 in this newsletter.

We are now less than one month away from Corvettes at Carlisle and the awarding of our Raffle Car. Please make sure you are talking with friends, neighbors, family, colleagues and co-workers asking them if they are willing to purchase a ticket to this worthwhile event. For that matter, talk to strangers and see if they are willing to purchase a ticket. While you're at it, make sure you have purchased one yourself. See the update report from Tony and Lisa De-Felice on Page 8 for more information.

One last reminder is if you are going to a car show, make sure you have American Legends flyers in hand to distribute while you are there. Sharing our flyers at other shows is the best way to get others interested in our show. By the way, American Legends is September 24th – less than two months away!

# Christmas Angels

## Christmas Angels

Can you believe our American Legends car show is less than two months away? Time to put things in high gear!

At the July meeting there was a good response to the request for individuals to make specific types of theme baskets, but we could use more. If you weren't at the meeting or weren't sure at that time what type of theme basket you'd like to put together, you can still sign up at the August meeting or give me a call.

In addition to specific theme baskets we also need more items of general interest. Think of your hobbies and interests, do you have duplicates of anything? Don't discount any random items you may have, they may go with something somebody else may have.

I was hoping to try to have basket making day on a Saturday this year, but in looking at my schedule and the LCCC calendar that's not going to work. Basket making day will be on Thursday September 7 starting at 9:00. That means the August meeting is the last opportunity to get items to me. I will have coffee and sticky buns upon your arrival and light fare for lunch. There will be a sign-up sheet at the next meeting for those who can help. I will also have a sign-up sheet for those planning to help the day of the show.

At our next meeting I will take any theme baskets (that don't include food) that you have already put together. Baskets with food can be given to me at the September meeting. Also, I will have baskets at our next meeting for anyone who may need one.

Having a successful show and auction will require a lot of help. Plan to help make this a great day!

**- Deb Sumpman**

## MUSEUM IN MOTION

The National Corvette Museum is unlike most other museums in the world. Though located in Bowling Green, Kentucky – the Museum is proud to have members from all across the country and even internationally. In an effort to bring the Museum to the enthusiasts, a selection of excursions are offered each year. Branded “Museum in Motion”, the program features tours around the United States as well as Canada, England and France. The Museum in Motion events combine the fun of driving, socializing with other Corvette enthusiasts, sightseeing and visiting unique places – including many V.I.P. and behind the scenes opportunities that only the Museum can get you.

Past tours have taken participants into places not usually accessible to the public including Milford Proving Grounds, Consumer Reports Auto Test Division, GM Heritage Center, and Pratt & Miller.

### Matchbox Corvettes

Mary Ann Lewandowski is continuing to collect Matchbox Corvettes for the Museum. For those who are not familiar, the Museum wants to send every kid home with a Corvette. We can continue to support this effort by picking up Corvettes when you see them at the store and giving them to Mary Ann to donate to the Museum.

Let's do what we can to support the future Corvette owners!

## In the Home Stretch

As of this writing, we are less than a month from the drawing. As you can see from the table, we are less than half way to our goal.

With 364 tickets still in circulation, I know there are sold or to-be sold tickets that we need back by the General Membership Meeting on **August 9th**. Do your best to sell what you have. We want to go into Corvettes at Carlisle knowing we will sell out, we are hoping to have less than 300 left at the start of Carlisle.

We are also asking our partners to push hard, between The Clare House and Whitmoyer, there are 175 tickets out in circulation. Lance Miller and his team are using their social media presence to assist by advertising this raffle; thank you Lance. This ad appears on the Corvettes at Carlisle Event Page.

The seller schedule will be distributed at the August General Meeting, if you cannot attend the meeting, we will also e-mail all those who signed up.

If we are still shy of our target by the beginning of the Carlisle Show, we will ask for as much help as possible to sell at the show. We want to seek out all potential buyers and leave nothing to chance; except of course the winning ticket number...

# Front Page Feature Corvette— The Bakers

## Proud Owners

We purchased our first Corvette ('79 L82) as a young couple. With growing teenage boys quickly approaching driving age, we decided to sell the car.

After a few short years missing the enjoyment of a Corvette, we got the itch again. Having worked a few years at Carlisle Productions I had an eye towards the Carlisle blue color. Our search went on for over a year and spanned several states looking for just the right car; however, when we stumbled upon our 2012 Centennial Grand Sport at a local dealer in 2018, we jumped at the opportunity to become a Corvette owner again.

Our proudest moment was having the car judged at Carlisle in 2022 where it took 1st place on the C6 Concourse. I do not believe we will ever let go of this one and if you were wondering...yes, our now "young men" do occasionally get to drive it!

# Dangles—Carl Lally

**Dangle** - A Dangle is an item which hangs from a club member's nametag to commemorate a special achievement, notable accomplishment, and/or support for our club's activities. Each Dangle symbolizes a goal achieved or an experience shared. They are great conversation starters, as club members who've "been there and done that" compare notes. In short, this is another way to add a little more fun to our club events. Who doesn't like chatting with others about accomplishments?!

# 2023 Activities— Jak Frost Ice Cream Run

The Club once again had a great time cruising to and meeting at Jak Frost Frozen Desserts in Middletown. This time we had 17 members and 10 Corvettes enjoying comradery and delicious treats. I heard there was more than one banana split served! For those who've yet to come with us, remember, LCCC is not a Corvette Club with an ice cream problem, it's an Ice Cream Club with a Corvette problem.

The owners are Jon and Katie Alger, nephew of club member Jesse Landis. They purchased Dairyland Ice Cream in May 2022. They recently changed the name to Jak Frost. You can learn more about them at [www.jak-frost.com](http://www.jak-frost.com).

I, for one, hope we have more opportunities to help Jon and Katie by a thorough quality control check of their products!! If you are not sure, fear not; Lisa and I live only a few miles from here and have been there more than once to make sure everything is up to snuff...

# 2023 Activities— Free State Corvette Club

As you know, Free State Corvette Club ran into several issues with the Town of Ocean City and the host hotel that forced us to cancel Corvette Weekend for 2023.

To try and raise money to continue supporting our Club's charities, Spina Bifida of Maryland as well as several other 501C3 charities, we have had to pursue other avenues.

We could use your help by forwarding the attached flyer about our upcoming Golf outing to be held on Friday August 4<sup>th</sup> at Oakmont Greens Golf Course in Hampstead Maryland to your Club Members.

Maybe some of them would enjoy a "day on the links" for a worthy cause with fellow Corvette enthusiast? If anyone is interested, simply contact Chuck at the e-mail provided on the flyer and he will take care of them.

We appreciate all your support over the years.

Sincerely,  
Joe Daley
