

President's Message—Kurt Steidle

Three Quarters Full or One Quarter Left

Another American Legends is in the books. Yes, it rained – a lot. Regardless, it was a better outcome than we thought we would have, all things considered. While 23 of our pre-registered participants didn't show and three more showed up but without their car, that means 40 did show up to participate. We also had 12 additional cars arrive for a total of 52 cars shown on a very soggy day.

The Christmas Angels tables were bountiful and stocked with quality items. It turned out to be a good place to get out of the rain and purchase some chances to win a basket or two. Members received several compliments from our guests.

Thank you again to all members who came out to support their club and their fellow members. Co-chairs Mary Anne Lewandowski and Mike Baker did a great job along with Deb Sumpman heading up Christmas Angels this year for her first time (it must be the sticky buns).

Heading into the last quarter of the year, we have our final autocross for 2023 on Sunday, October 1st. We really need our members to come out and lend a hand, especially our newer members. We should have a nice day (much nicer than AX2) so hopefully we will have a good turnout. Our club needs to be better represented at these events. There are times when our guests easily outnumber our members by a considerable margin. That is not right nor is it a good look.

As I mentioned last month, two annual topics return. First is it's time to renew your membership. Renewals are due in by October 31, 2023 and those turned in after that date will have a \$10.00 late fee. See the 2024 form elsewhere in this newsletter.

The second topic is that of officer nominations. Nominations will be taken at the October and November meetings and voting/selection will occur at the November meeting. Please consider giving of your time to serve your fellow members in one of these positions. Before nominating someone, please ask them first before nominating them. A position-by-position description of duties is published in this newsletter.

Each year when this subject comes up in the general membership meeting, it is met with muffled snickers and cross talk. Let's get past that and take this seriously. If you want the club to continue, more people need to step up. You can't keep relying on the same people year after year.

The same goes for chairing our events. Looking forward to 2024, see if you could chair an event. If it's your first time for either a board position or an event chair, be assured that others will help guide you. We also have a draft on the website that describes how to run the events. Your help and support are needed to keep this club strong and moving forward.

General Meeting and Executive Board Summary

General Meeting—September 13, 2023

The meeting was held at East Petersburg Fire Hall. The meeting was called to order by Kurt Steidle at 7:32 PM with the Pledge of Allegiance to the Flag.

Governor's Report—Clyde Mooney

Scott Breneman and I attended the third 2023 Governor's Meeting on September 23, 2023 at the Holiday Inn, Grantville, PA. Also, in attendance from LCCC, was Mary Anne Lewandowski who is the East Regions National Corvette Museum Ambassador and Valerie Cifuni – East Region Treasurer. The meeting was called to order at 10:00 am followed by the Pledge of Allegiance.

Attendee introductions were made, presentations of both the secretary's and treasurer's report were given by Michele Cantelmo and Valerie Cifuni respectively. Since there were no comments or corrections motions were made to approve the reports as presented and both passed.

Scott Fredericks, Regional Membership Director gave an update on NCCC membership. As of September 22nd, NCCC had in total 241 clubs with a combined membership of 19,402. The East region has 24 clubs with total membership of 2,111 (the total includes 88 Members at Large). Cumberland Valley Corvette Club continues to be the largest club in our region with 235 members while LCCC with 126 members ranks 6th in the region. Scott also commented on the 2024 membership renewal process and that renewal guidelines had been sent to all governors. Note: The deadline to renew without a late fee is October 31, 2023.

Mary Anne followed with an in-depth review of current and future activities planned by the National Corvette Museum.

Valerie Cifuni presented a proposed 2024 regional budget for review and comments. After too much discussion on a couple of minor items, a decision was made to make a couple of revisions. The 2024 budget with the revisions will be presented again at the December meeting for approval.

The participation in the East Regions show/awards banquet has not been good to be blunt and there is a desire to make the event more interesting with the obvious goal of increasing attendance. A proposal was made to have a 2-day event next June 1st and 2nd in Morgantown, PA at the Classic Auto Mall, having the Governor's Meeting and car show on the Saturday followed by the awards dinner that evening. The intent would be to have attendees be

able to attend the auto mall in the morning and have the show in the afternoon while the Governor's meeting takes place. For Sunday there was discussion regarding possible events that could be held: autocross, rallye, funkhana, etc. to increase interest. It has been decided to hold the Governor's Meeting on Saturday, June 1st but no decision on expanding into a 2-day event. I would be interested in hearing comments from our membership regarding their interest.

A brief discussion occurred regarding dates for 2024 sanctions. A calendar will be posted soon for clubs to request dates so conflicts can be resolved at the December meeting.

Without further issues, a motion was made to adjourn and quickly passed.

President's Report—Kurt Steidle

- Kurt welcomed Mike Baker to the front table after his election in September to the Membership Officer position.
- Kurt thanked Mike and Eileen for hosting the picnic at their "compound". It was a beautiful day, great food, good company and an interesting array of cars and memorabilia.
- Kurt urged people to take the car related magazines on the back table.

Vice President's Report—Rick Evans

Reminder: the Holiday Party will be at the Timbers on Wed., December 13th. Sign up flyer in this issue.

Membership Report

Mike told everyone that membership renewals must be received by October 31st to avoid a \$10 late fee. The form appeared in the September newsletter and will repeat in the October issue. He has copies at the front desk if you want to pick up. Mike also presented 2 new applications. The first was Chris Simon – Mary Anne Lewandowski motioned for acceptance, seconded by Ken Unger – all those in attendance at meeting voted yes. The second was for Patricia Landis (wife of Jesse Landis). She was voted in by the attendees after a motion by Jim Roberts, seconded by Deb Sumpman to accept. This brings our roster to 126.

Newsletter Report—Tony DeFelice

Tony was away on business—no report.

Activities/Parades/Competition:

General Meeting and Executive Board Summary

Shows

- Mary Anne has work assignments for the Legends show on the 24th; check the sheet for where you are needed or sign up that you are available if your name is not yet listed.
- Mary Anne has flyers and the new business cards available for the Legends Show. Take some and put in cars at shows you might be attending. Everyone's help is needed to make this a successful event.

- The 2nd Auto-X is coming up on Sunday, Sept. 17th. Help is needed for set-up on the Saturday afternoon before and on Sunday for course work, registration and clean-up.
- The last Auto-X for our club will be held on Sun., Oct. 1st. Your help is needed.

- Scott Breneman is planning for another of his famous Rallyes on Sunday, Oct. 29th.

Parades – Ken Unger

- East Petersburg Day on Sat., Sept 23rd will have a parade starting around 10AM. This is a drive-thru for anyone interested in participating. Two members will be carrying the Barnstormer's Silo and the Lions Club Lion.
- The Ephrata Fair will hold its opening parade on Wed., Sept 27th – 6 convertibles are needed.
- The New Holland Fair Parade will be held on Wed., Oct. 4th.
- Two parades will be held on Sat., Oct. 14 – need 10 cars for Elizabethtown College and 4 cars for Millersville Homecoming
- Several coming up as noted by clipboards for sign up. 3 cars participated in the African American Culture Parade and received a check for \$60. Two cars carried wrestlers for the Red Rose Rumble at the Clipper Stadium for which \$50 was received. Ken and his team are ready for a busy season.

Open Forum

- Our guest for the evening was Mike Stettler driving a 2005 C5.
- Whitmoyer's has been acquired by the Kinley Auto Group. The dealership will give up the Buick franchise. In talking to Matt Beaver, there will be no change in the Club relationship at this time.
- Jim Roberts spoke on the Thaddeus Stevens Show. It will be held on Sat., October 14th Summit Point Race Track in Charles Town, WV will be having a car show and other activities going on Sun., October 8th.
- Aldie King conveyed his thoughts on communicating who the winner of the raffle car was – letting other ticket purchasers aware of the result. A Communications person is still under discussion.
- Ken initiated a discussion on preventing damage to the cars when transporting people during parades; signs to remove shoes, asking to remove dangling jewelry, placing a blanket on the deck,

Activity Chairpersons

Once again we will begin recruiting members to step up and help the club by chairing various activities for the coming year.

Each year we need to plan ahead for the coming year and next year is no different.

Please consider volunteering to lead in one or many events or activities. New members are welcome to step up as past chairs will be ready to help you get started.

2024 Event & Activity Chairs Are Needed For:

- Raffle Car Ticketmeister(s)
- Corvettes at Stauffers Show in June
- Auto Cross Events
- American Legends in September/October (planning needs to begin in January).
- Christmas Angels
- Cruise/Activity Leaders

Step up and help the club by chairing one of the many 2024 events and activities. We cannot continue to be an active club without greater participation.

Christmas Angels

Christmas Angels

Even if Mother Nature lets you down you can always count on LCCC members to come through. I offered to chair the Christmas Angels project with little understanding of all that went into it. *Sharon made it look so easy!* But with a lot of great help from beginning to end we were able to have a wonderful array of baskets and silent auction items. The quality and quantity was amazing. There were approximately 150 options to choose from. I'm not sure of the exact number as things were added, combined, and rearranged up to the very last minute, but it all worked out. Due to the generosity of those that attended we brought in \$2,198.00 to benefit Christmas at Clare House.

Because of all the great support I received from club members I am willing to do this again, unless someone is "chomping at the bit" for the opportunity to take over. If no one is interested then here I go again. I've taken some notes so I will be a little better prepared next time.

So in summary, **"Thank you , thank you, thank you for all your support!"**

- Deb Sumpman

Election of Club Officers

November 8th will be here sooner than you think - time to elect the officers to guide the club through 2024.

Nominations will open at the October 11th meeting, so now is the time to start thinking about it. Have someone you think would be good in a position? Talk to them, encourage them to think about it. Have an interest yourself? Find out what is involved.

Take note that the by-laws list a position for Lieutenant Governor but we have not had that position filled. It has been added in the summary that follows and we intent to have a member take that position this year.

Elected Officers include:

PRESIDENT - Oversees the operation of the club and presides at meetings.

VICE- PRESIDENT - Renders assistance to President and stands in for President as needed. The VP also organizes the Christmas Party and Awards Banquet.

SECRETARY – Keeps the minutes for general and e-board meetings.

TREASURER – Collects and deposits money, writes checks, keeps financial record of club activities.

NEWSLETTER – Composes and distributes a newsletter monthly to the membership.

MEMBERSHIP - Handles new applications, updates roster, welcomes new members.

GOVERNOR – Be the official representative of the LCCC to NCCC – attend regional meetings. Complete sanctioned event reports.

This is just a quick synopsis of duties. Contact the current or past officers if you have questions.

Before you nominate someone - please be sure they would be willing to accept running for the position.

New blood brings fresh ideas, so please consider running for one of these positions. The Club needs good leadership! Are you willing to step up?

Matchbox Corvettes

Mary Ann Lewandowski is continuing to collect Matchbox Corvettes for the Museum. For those who are not familiar, the Museum wants to send every kid home with a Corvette. We can continue to support this effort by picking up Corvettes when you see them at the store and giving them to Mary Ann to donate to the Museum.

Let's do what we can to support the future Corvette owners!

Almost sold it...

LCCC members who have known me for many years have heard my Corvette story, but I'm glad to tell it again.

In the 1970's I was living in Exton in Chester County commuting daily to my job in Marietta Lancaster County. It was September 1978 returning from work driving down route 100 I saw a Corvette convertible for sale at a Mobil gas station. I wasn't looking to buy a Corvette, but this one was dark green the same color as my Olds Cutlass. I figured I would stop to look at it the following day on my way home. The next day I stopped, I looked, I bought.

It was a 1970 with relatively low mileage owned by a 16-year-old boy whose father ran the Mobil station. I figured it was his father who was the driving source behind selling the car. I paid \$3,900. The 16-year-old almost cried when I bought it.

Susan and I had been dating for two years. When I told her I bought it she thought her diamond got wheels. Not to worry we became engaged in Decem-

ber so she got her diamond anyway. I am not an impulsive spender so I regard buying the Vette as "my last fling before marriage".

Susan and I married in April 1979 and moved to Lancaster that July. Times were difficult in the real estate market. Selling our house in West Chester took nine months, as such we were carrying two mortgages and a loan. Guilt took over and I decided to sell the Corvette because I didn't have \$500 - \$600 to get it through PA inspection. I put it up for sale for \$3,300. There were no buyers at my selling price. Lee Jackson, former LCCC member, offered \$3,150 but I wouldn't take less than what I wanted. Lee didn't buy it. I was so glad!!! I would have been the one crying if I sold it, so I spent the next two years working on the Vette. It finally became road worthy in 1983.

The Corvette was painted in 1990 and a new convertible top was installed. We joined LCCC in 1997 and have enjoyed all club activities.

Member Recipes

Grilled Corn Salad

INGREDIENTS

- 8 Ears Sweet Corn
- 8-10 Slices Bacon (cooked and crumbled)
- ½ cup Red Onion (diced)
- ½ cup Red Bell Pepper (diced)
- 3 Jalapeños (diced fine)
- 1 cup Cheddar Cheese shredded
- ½ cup Sour Cream
- ½ cup Cream Cheese
- 1 teaspoon Killer Hogs The AP Seasoning (or simply use Salt and Black Pepper to taste)

INSTRUCTIONS

Prepare charcoal grill set up for 2 zone fire.

Place corn in husk on indirect side of grill for 10-15 minutes.

Peel back the husk and remove corn silt. Place directly over hot side of grill to char, 4-5 minutes rotating as necessary.

Remove husk end from each ear of corn and use a knife to cut off the corn into a large bowl.

Combine Sour Cream and Cream cheese until smooth.

Add cream cheese mixture, onion, bell pepper, bacon, jalapeño, and cheddar cheese. Fold ingredients into corn and season with Killer Hogs The AP Seasoning or salt and pepper to taste.

Garnish with sliced jalapeño and green onion.

I do not have the Killer Hogs AP seasoning. I combine 1/4 teaspoon salt, 1/4 teaspoon pepper, 1/4 teaspoon garlic and use that.

I only use two Jalapenos.

- **Valerie Lally**

Sticky Buns

INGREDIENTS

- 2 loaves of frozen bread dough
- 6-7 tablespoons of margarine
- 1 cup (or a little less) of brown sugar
- 2 small packs of **Cook and Serve** vanilla pudding
- 6 tablespoons of milk
- cinnamon to taste
- nuts – walnuts or pecans (I try to almost cover the bottom of my pan, but the amount is up to you.)
- raisins – optional

INSTRUCTIONS

Defrost the bread dough. This takes about a day in the refrigerator.

Grease a 9" X 13" pan and layer your nuts on the bottom.

Tear up 1 loaf of dough and put on top of the nuts. I try to make my pieces about the size of a golf ball or a little smaller, but you don't need to be fussy about this.

Sprinkle with cinnamon and distribute any raisins you might want to add on top of the dough.

Heat the margarine, brown sugar, pudding, and milk just to the point everything is combined and heated through.

Pour about 2/3 of the pudding mixture over the dough.

Tear up the second loaf of dough and layer it over the pudding mixture.

Pour remaining pudding mixture over the dough.

Let rise 20 -30 minutes, preferably in a warm spot.

Bake in preheated oven at 350 degrees for about 30 minutes. If the top starts to get too brown after 20 -25 minutes cover lightly with foil.

When the sticky buns are done place a **rimmed** cookie sheet over the top of the pan, flip, and carefully remove the pan.

Enjoy!

Racing Across America

September 20, 2023 | By Cathy Mollitoris

In a little over a week this summer, Jim Roberts covered more than 5,000 miles across the country in his 2008 C6 Corvette, made new friends, ate his fair share of gas-station food and raised money for the PA Breast Cancer Coalition.

It's the 14th year Roberts has participated in One Lap of America, an event that brings together car enthusiasts from around the country to compete on racetracks nationwide. Over the years, Roberts has raised just under \$50,000 for the charity through participation in the event.

The competition began at the Tire Rack facility in South Bend, Ind., Roberts explained, noting that Tire Rack is the national sponsor of One Lap of America. There, Roberts competed in the wet skid pad event, which turned out to be his best contest this year.

"I had a tremendous start to the week, finishing seventh overall out of 84 competitors, and second in class, in that event," he recalled. "The really neat thing is that I was the fastest American brand car since the top six were all German cars with the first place being a Porsche GT3."

From South Bend, the group drove to Grissom Air Force Base in Indiana, northeast to the Youngstown, Ohio, area, south to Atlanta, northwest to Nashville, southwest to Texas, north to Oklahoma, into Kentucky to the National Corvette Museum Motorsports Park, and then back to South Bend, visiting tracks at each of these destinations.

"The most challenging part of this is that every other day we had a 700-mile-plus transit between tracks," Roberts said. "We usually didn't leave one place until about 3 p.m., and then we'd drive 700 miles and get into our motel about 1 or 2 a.m."

Roberts credits his ability to complete the event to his transit driver, Gary "Duck" Drake, a friend from Cincinnati who has accompanied Roberts on the trip for the past four years.

One Lap of America was created by Brock Yates, an automotive journalist and editor of "Car and Driver" magazine. He first created the Cannonball Run race that inspired the 1981 movie of the same name before changing the event to One Lap of America. Since 1992, the race has used the same format, having competitors drive almost 24 hours a day with competitions at racetracks throughout the country.

Although the goal is to win the races, Roberts participates for other reasons. He raises money for the PA Breast Cancer Coalition through sponsors, who are recognized by stickers Roberts puts on the roof of his car during the event. He also likes the challenge of the endurance event, the opportunity to reconnect with his racing friends and the chance to race.

The owner of Jim Roberts West Main Auto in Mount Joy, Roberts has always enjoyed cars. He started driving Corvettes in 1992 and became interested in track performance. He has been teaching since 2005, both to civilians on the motorsports side and to government personnel whose jobs may require precision driving. His home track for teaching is in Summit Point, WVa.

Roberts is already looking forward to next year's One Lap of America, and he's excited to continue to compete.

"I love racing on the tracks and seeing my friends who I don't see all year long," he said.

Dangles—Carl Lally

Dangle - A Dangle is an item which hangs from a club member's nametag to commemorate a special achievement, notable accomplishment, and/or support for our club's activities. Each Dangle symbolizes a goal achieved or an experience shared. They are great conversation starters, as club members who've "been there and done that" compare notes. In short, this is another way to add a little more fun to our club events. Who doesn't like chatting with others about accomplishments?!

PA Breast Cancer Coalition

I am very pleased to again be recognized as a GRASSROOTS SUPPORTER for the Pa. Breast Cancer Coalition. This year in my "One Lap of America" event, we raised \$4,888 and over the years over \$45,000 for this very good cause that many of us have friends or relatives that have been affected by. It's great that the Coalition helps people with this disease and that they also help fund research to help find a cure. A BIG THANK YOU to our club members to help in this fundraising effort.

Thanks again!

2023 Activities – Maple Grove

It was beautiful weather as Paul Wenger and I headed out in our corvettes after a nice breakfast on Saturday, September 16th to Maple Grove Raceway. NHRA Pep Boys Maple Grove Nationals were here for the first race of the Camping World drag racing series to the Championship. We had the opportunity to hang out with Steve Hohnson's Pro Stock Motorcycle team for the day. We were able to see close up the inner workings of what it takes to compete in this very competitive field of motor sports racing.

Emma Tolbert was our hostess and greeted us upon arrival and made us feel comfortable by offering us seating, shade, beverages and snacks. We were joined later in the day by Mike Godra and Eileen Scotten. Although very busy preparing for his races Steve took time to chat with us and answer any questions. We were treated in the stands or along the fence by fierce side-by-side racing from every category in NHRA. The sound and vibrations were invigorating to say the least. We were also witness to Gaige Herrera in a Gen 3 Suzuki posting a 6.672 second 202.94 mph run that was the quickest elapsed time ever for a Pro-stock motorcycle at Maple Grove Raceway and was just 0.007 second slower than the current 6.665 second class record. He had an even 203 mph run during an earlier qualifying attempt. Steve's Suzuki lost on Sunday to Jianna Evaristo also riding a Suzuki on the hole shot. Follow Steve Johnson Racing on Facebook.

We appreciated being invited, and the hospitality his team provided. I for one, am looking forward to returning next year.
