

Shows, Shows, and More Shows

June was a busy month filled with many Corvette shows held by our sister clubs and finished the month with our own Corvettes at Stauffers of Kissel Hill Show.

The month started with the club's popular pilgrimage to Perry County for the Perry County Corvette Club Spring Show at Register Chev-

rolet on Saturday, June 4th. Our club tied for first place in attendance which gained the club a \$125 cash award.

The following day at Central Pennsylvania Corvette Club's show at Klick-Lewis Chevrolet in Palmyra, our club won second place for attendance resulting in another award of \$25.

On the 24th and 25th of June, members traveled to Carlisle for the GM Nationals. While many drove their Corvettes and participated in the show field, some of our members participated in the Corvettes for Chip Show.

The following day was our club's Corvettes at Stauffers of Kissel Hill Show at the Rohrerstown Road store complex.

Turn to pages 10, 11 and 16 to see the results and pictures from the events.

At right, a beautiful 1961 Corvette parked at Stauffers is viewed by admirers.

Christmas Angels Reminder

We are one month closer to the September 25th American Legends Show and the Christmas Angels Auction. We need to collect a wide variety of things to choose from. Think large or small - baskets, table books, candles, wall hangings, holiday decorations, toys, collectibles, etc. Why not make up your own theme basket? Ask your favorite restaurant, merchant or service center for a gift certificate or item donation.

ALL proceeds from the auction go towards the Clare House/ families - buying gifts to make the holidays a little brighter and purchasing much needed supplies for the House.

Bring your items to the meeting on July 13th or drop off at West Main Auto in Mount Joy. - Sharon Roberts

LCCC WINS HUMANITARIAN AWARD, AGAIN!

Once again our club won national recognition for our charity efforts by the National Council of Corvette Clubs. LCCC was presented the 2022 Roger Glancy Humanitarian Award at the NCCC Convention in Atlantic City. The club last won this award in 2020. Once again this is recognition of our members willingness to give back to our community. Thank you to all

who stepped up in the past year.

ANOTHER REMINDER TO THINK ABOUT NEXT YEAR

Typically, we start asking members to consider taking

a role on the Executive Board in September in advance of opening nominations in October and voting in November. A summary of the officer and function roles are published in the newsletter and will again this year.

There is always potential for change and having others participate is healthy in a club environment. Raising this issue early has a purpose. I would appreciate if someone else would take the Newsletter Editor role for the coming year.

Additionally, the LCCC By-laws identify a role for Lieutenant Governor. For whatever reason this role has been vacant. Going forward, we will open this position to be filled at the end of the year.

This is your club, get involved and participate beyond the shows, cruises, parades and autocrosses.

Reminder: Treasurer and Secretary reports are now distributed on line at: [Lancaster County Corvette Club - Members Only \(lcccpc.com\)](http://Lancaster County Corvette Club - Members Only (lcccpc.com))

2022 Raffle Car UPDATE—Kurt & Joan Steidle

LCCC Members on Friday, June 24th at Carlisle

PROGRESS UPDATE

We had a good weekend at the GM Nationals in Carlisle.

We had a good weekend selling a total of **137 tickets on those two days**. This was a good total and in line with other years for the GM Nationals.

We added a few additional sales during the Corvettes at Stauffers Show and that brings our **current total to 354 tickets sold**. Of course, this is just what is logged into the spreadsheet. I suspect there are likely 25-50 additional sales yet to be returned which will put in good shape for the two remaining months heading into the Corvettes at Carlisle weekend.

2022 Raffle Car Sales Progress

Again, thank you all for your time and effort, it is certainly appreciated!

CONTINUING OUR MOMENTUM

Please continue to reach out to people you meet. Share the flyer on the opposite page.

There are over 360 tickets out in circulation. Please turn in any sold tickets with money as soon as you can. Customer should not have to wait over a month to see their check cashed.

DOING YOUR PART

I encourage all members to get involved. Reach out to people who have bought from you in the past, ask at work or church or your neighbors and please buy one (or more) yourself! Send out e-mails or letters to your contacts.

Volunteer to help at the major selling events. It can actually be a lot of fun. You get to meet people who like to talk about...what else, Corvettes!

This year, Kurt and Joan Steidle will maintain the ticket log and distribution of tickets. You can pick up tickets at monthly meeting or

contact them at kws1882@ptd.net.

Finally, here are three simple guidelines to follow:

One—Tickets are \$150 per ticket.

Two—When you take tickets, you are responsible for them. When we get closer to the Corvettes at Carlisle week, you are expected to return any unsold tickets, unopened. Opened envelopes should be accompanied by money. "I lost them" is not acceptable.

Three—Do not open any tickets until you have their money in your hand. You are not being rude to ask for money upfront before handing over or opening an envelope. In past years, we have had at least one or more people change their mind once an envelope is opened. Don't let that happen!

Thank you in advance for everyone's support in this worthwhile activity. Check back here for progress reports until the car is awarded at the end of August.

Highlights:

- **\$150 per ticket**
- Only 1000 tickets available
- Winner determined by PA Daily Pick 3 Evening Drawing on Saturday, August 27, 2022 at 7:00 PM

Off The Streets—Rosemary LaFata

Help get our homeless off the streets

Your Help Very Much Needed!

Would you consider giving 2-3 hours on a Saturday morning of your choice to help deliver furnishings? Your help means that we can lift a mom and her children, some's son, daughter, mom or dad into a home. We call the deliveries Moves. They begin at 9:00 AM each Saturday from the Burle Business Park and typically take about two hours. Tasks include helping move everyday household item and such pieces as mattresses, end tables, chairs, single dressers and loveseats.

Using only volunteers, Off The Streets (OTS) help those experiencing homelessness who are referred by local social services and who have a way to pay rent going forward. We help fund security deposits and provide basic apartment sized furniture to help create a comfortable home. Every Saturday, we help two individuals or families make a fresh start. We just passed a milestone – over 3,600 people have been helped into permanent homes since 2013! Did you know that OTS Lancaster began right here with an announcement like this?

We really need helpers! You can help as an individual, a family, an organization or a business. Please give it a try. Volunteers – Previewers – are needed to help plan the moves. For information, contact Stephanie Howard at otsvolunteers@gmail.com . We

guarantee you will consider your time well spent. Thank you.

If anyone would like to talk with me about donating useable items or would like to have a tour of our warehouse. Please contact me - Rosemary LaFata, 717-575-4254 or rosemarylafata@comcast.net

Corvette Racing at Watkins Glen: No Late Luck at All

Late-race contact foils hard charge toward class podium, possible win for Garcia, Taylor

WATKINS GLEN, NY (June 26, 2022) – Nearly all the late-race luck went against Corvette Racing on Sunday in the Sahlen's Six Hours of The Glen. The No. 3 Mobil 1/SiriusXM Chevrolet Corvette C8.R finished sixth in GT Daytona (GTD) PRO after the class's fifth round in the IMSA WeatherTech SportsCar Championship.

It was the first GTD PRO race since early May for Antonio Garcia and Jordan Taylor, who were coming off a similarly disappointing result at the 24 Hours of Le Mans. The Corvette had crossed the line Sunday seventh in class but the class-winning car was sent to the back of GTD PRO due to a post-race drivetime violation.

The race's first two hours saw five full-course caution periods which prevented any sort of rhythm. It wasn't all bad for Taylor and the No. 3 Corvette team, though. Fuel savings and the crew's usual sterling pit work gained Taylor two spots to fourth place on the first stop for fuel and tires.

Taylor stayed in the car for just shy of three hours. The fuel-saving strategy from Corvette Racing engineering offset a performance deficit and continued to provide benefits in terms of track position, as did a decision to take fuel only during a full-course caution period 90 minutes into the race. It netted the No. 3 C8.R another spot, and Taylor ran second as the halfway point approached.

Unfortunately things went south just shy of the three-hour mark when Taylor had to serve a drive-through penalty for exceeding track limits. Without the outright pace of the pursuing cars, Taylor had to maximize the boundaries of the track and hence the call from race officials.

Garcia drove the rest of the way and continued saving fuel while trying to produce as much pace as possible. The

plan was working as Garcia was slowly but surely reeling in the class leaders who were on the same pit strategy until the severe weather warning stopped the race with 88 minutes to go and Garcia running fifth – still a positive gain from the Corvette's starting position.

The race started back with 35 minutes on the clock. With the fuel situation dicey for a majority of the GTD PRO field, Garcia set out in search of a podium spot but was hit almost immediately by the No. 25 BMW, which was trying to overtake on the outside of the first corner. The contact caused one of the Corvette's rear tires to go down and relegated the No. 3 to seventh.

The slow drive to the pitlane for four fresh tires grew more frustrating as the four GTD PRO cars ahead of Garcia had to stop for fuel inside the final five minutes, leaving the Corvette Racing team to wonder what might have been.

There is no rest as Corvette Racing immediately moves to Canadian Tire Motorsport Park for the Chevrolet Grand Prix, which is scheduled for 3:05 p.m. ET on Sunday, July 3. The race will air live on NBC and stream live on Peacock inside the United States and IMSA.com outside the U.S. IMSA Radio will air on-track sessions beginning with Saturday morning's practice at IMSA.com with the race call also on XM 207 and SiriusXM Online 992.
