Jesse Landis noted we would be doing the Jak Frost Ice Cream event on 7/16/26. We will meet at 6:45 at the East Petersburg Fire Hall and leave at 7pm. You can meet along the route or meet at the ice cream event at Jak Frost in Middletown if you would like. If it rains, the rain date will be the following Thursday.

The club raised \$133 for Clare House through the Texas Roadhouse fundraiser. With the success and positive feedback, we will look forward to doing this again next year.

General Meeting Summary

Parades Updates/News:

Ken Unger noted all current parades are full and he does not need additional cars at this time. Ken thanked everyone who participated in the Memorial Day parades.

Competition News:

Nothing to report currently.

Show Update News:

Perry County Show: LCCC took the #1 club award again and received \$150 prize. We had 16 cars attend the event.

Stauffer's Show Wrap Up: Mary Anne Lewandowski thanked Bart and Terri Hollis and their family for all the work they did with the show. As of current numbers, Bart reported there was a \$4060.00 profit for the Club. There were 79 cars that registered!

Legends Show: Everything is moving forward well.

Old Business:

Dues increase for 2027: Reviewed that the new rates would be \$80 for primary members, \$30 for a spouse and/or a dependent. This is an increase of \$5.00 for a single person and \$17.50 for a couple. With a motion to accept from Tony DeFelice and a second from Mike Baker- all were in favor. The new rates were approved for 2027.

Clyde Mooney did suggest adding an inflation clause to the by-laws to help with this in the future so the rates can keep up with increased costs. This will be looked into by the E Board.

Raffle Car Update:

Tony DeFelice shared how the raffle car sales work at Carlisle for any of the new members. Sellers will be outside of the tables to sell the tickets; the runners will take the money to the cashier to confirm the sale. Roles will be assigned to each person. To pick up credentials this year you will use Gate 3, use the right lane, and pick up your credentials at the tent on the right. For the GM show, we are located on the Midway by the CMAF tent.

As a reminder, if you are the seller for the tickets, do not open the envelope until you have money in hand. Also, the number on the outside of the envelope does not necessarily match the number of the ticket inside. See Tony or Lisa if you have questions and sell those tickets!

Also, huge thank you to Tony and Lisa who received the tickets today (Wednesday) at 2pm and managed to stuff 500 envelopes to bring to the meeting tonight!!

Christmas Angels Is Just Around the Corner!

The Christmas Angels project will be here before we know it! For those who may not be familiar, this is one of the Lancaster County Corvette Club's favorite traditions. Every dollar raised helps make the holidays a little brighter for the families at the Clare House.

This year, we're focusing primarily on gift cards and pre-made themed baskets. Your basket doesn't have to be elaborate—simple, creative, and fun themes are always appreciated! If you have a larger item you'd like to donate, such as a handmade quilt or car care products, those would make wonderful auction items as well.

To help streamline things this year, we're asking that all themed baskets be fully assembled before they're donated. We won't be collecting individual items to put baskets together later, so if you're making a basket, please have it ready to go.

A big thank you to everyone who signed up at the June meeting! We already have seven volunteers, which is a fantastic start. The sign-up sheet will also be available at the July and August meetings, and it includes lots of fun basket ideas if you're looking for inspiration. If it's easier, you can also text me, Melissa Gramley (my number is in member day), to sign up.

I was fortunate to inherit a wonderful collection of empty baskets in all shapes and sizes from my amazing predecessors, and I'd be happy to share them with anyone who needs one. I won't be at the July meeting since I'll be on a cruise, but I'll bring the baskets to the August and September meetings. I'll also begin collecting completed baskets starting at the August meeting.

If putting together a basket isn't your thing, gift cards are always a great option! And if you have any unused gift cards tucked away that you don't plan to use, we'd be happy to put them toward helping a family this holiday season.

Thank you all for your generosity and continued support of this wonderful project. Your kindness truly helps make Christmas a little brighter for families in our community, and we couldn't do it without you!

LCCC June E-Board Meeting Minutes

The Executive Board Meeting of the Lancaster County Corvette club was held on Wednesday, June 24, 2026 at the DeFelice home beginning at 6:56PM. Present were Tony and Lisa DeFelice, Bart and Terri Hollis, Jim and Sharon Roberts and Scott Breneman.

Concerns for members: Our sympathy is extended to Doug Desmond on the passing of his father on June 7th.

Scott has spoken to Rick and Angie – Rick has had some up and downs but is making progress and hopes to be at a meeting soon.

Old Business:

Raffle Car Update – Tickets were passed out at the June meeting. Special thanks to the members who went to Carlisle for GM Nationals on June 19th & 20th 66 tickets were sold at the event. Melissa Gramley took video for social media. Tony reported that 135 tickets have been sold.

Trailer Maintenance - Mike Baker and Scott Breneman spent some time working on the trailer to ready it for inspection - replacing some lights and repairing the roof vent. It has been taken to Geyer's Garage for the official inspection. After that, plans are underway for a roof repair to prevent further problems.

Activities -Version 7 has been blasted out. The next event is the Shrewsbury Show led by Jesse Landis.

Parades Update/News- Next parade is the July 4th Lititz Candle Queen Parade. Checks have been received from the Memorial Day Parades . Maytown \$125, Marietta \$300, Columbia \$1000.

Competition Update/News- No report on our end. It was noted that Jeff Murphy is working on some competition changes at a higher level.

LCCC June E-Board Meeting Minutes

Shows Updates/News -

Stauffer's Show- – Stauffer Show was a success. The \$750 sponsor check from Stauffer's has been received. It was noted that of the 79 entries – 49 were for all 7 events, 30 fun show only. Guiderails for future door prize projects will need to be set in advance. There were problems with the tallying program. Danielle Martin (a non-member) girlfriend of Will Hollis – spent many hours developing a change. After some discussion it was motioned by Lisa and seconded by Scott to give a \$50 Target gift certificate to her in our appreciation, motion passed.

Lisa DeFelice reported that Meg Keene at Texas Roadhouse asked if we have any car shows and mentioned that they will go out to car shows to set up a stand and give out coupons and merchandise. The E-Board agreed there did not seem to be a downside to this so Lisa will reach out to Meg.

Secretary's Report - June meeting was accepted as sent out earlier.

Treasurer's Report - Report was accepted as sent out earlier.

Vice President's Report - Lisa has been monitoring the emails – no actionable emails were received.

President's Report - Mary Anne in Alaska – no report.

Governor's Report - Scott reported Legends flyer is posted.

Membership Report - Bart says nothing new. Membership stands at 115.

Newsletter Report - Terri had no additional input.

New Business/Miscellaneous Report - We need a new printer. Tony volunteered to do some research and report back at the July E-board meeting with possible recommendations and prices.

Bart brought up the possibility of having a “food drive” at the meetings. He would be willing to collect and deliver to the Hempfield Area Pantry. This would be a chance to help the community and get our Club name out there. The idea will be presented at the July meeting.

Scott motioned, seconded by Bart and passed. Meeting adjourned at 7:39PM.
