President's Message – Mary Anne Lewandowski

Hello Friends!

I hope this finds you doing well as the seasons are changing. It's going to be "leaf peeper" time soon, local farm fairs are in full swing, baseball is sliding into home (a little closer for some of us than we'd like), football is kicking off, car shows are wrapping up, and holiday shows are soon to be enjoyed.

September has had lots of opportunities to get out our favorite cars! There have been lots of parades, shows – including our own Wine and Wheels @ Nissley Vineyards, as well as social events like Barry's Car Barn, and Kauffman's BBQ and Mini Golf!

October brings Perry County Register's Fall Car Show, John Sauder Camaro Club GM car show, our own 36th Annual American Legends Car Show and Christmas Angels Auction, E-Town College Homecoming parade, and a Fun Road Rallye!

We're also getting ready for the upcoming Executive Board nominations and elections. Please consider how you can best share your talents and serve your club! It takes all of us contributing to keep this club rolling!

Looking forward to seeing each of you out and about and at meetings.

~Motor On!

GENERAL MEETING SUMMARY

Old Business:

Raffle Car:

Raffle Car Wrap-Up – Tony and Lisa DeFelice thanked everyone for all the help. Congratulations to Betty Luke- presentation was on Tuesday. Bill Miller from Carlisle Events was there along with Tony and Lisa as well as Mary Anne Lewandowki. Still figuring out the final numbers, about \$35000 will be distributed to both charities (Clare House and Chip Miller Amyloidosis Foundation). We sold out at 11:59am on Friday. Clare House showed up and sold tickets with us at Carlisle. They enjoyed themselves and it was a valuable experience for them to see what goes into the Raffle Car each year. Tony reported they received a note from Lance who asked to pass along their thanks to everyone. Top 3 sellers were Jim Roberts, Clyde Mooney and Jeff Murphy. Carlisle raffles off 4 tickets each year. This year they received \$1500 for all 4 tickets.

Lance agrees to do the raffle car again next year with us if we are interested in doing the raffle car as well. Tony DeFelice motioned to do the raffle car again next year with a second from Clyde Mooney- all in favor.

Trailer Maintenance:

Scott Breneman reported inspection is being done now.

Secretary's Report:

There were no questions or corrections of the minutes for the August General Meeting and E Board meeting posted on the Members Only section of the Club website.

Treasurer's Report:

Sharon reviewed the ending balance which included the cost of the raffle car. The report is posted to the Members Only section of the website.

Vice President's Report:

Christmas Party update- Timbers/Agenda reviewed with them (Socializing 6pm, 6:45pm-7pm Chamber Singers, 7pm short meeting followed by dinner).

Lisa DeFelice reported she is looking at other venues for the Awards Banquet for March.

President's Report:

Mary Anne Lewandowski reported she has nothing new at this time.

Governor's Report:

Scott Breneman reminded everyone to renew your membership by 10/31/26 to avoid the \$10 late fee- this is a fee from NCCC.

GENERAL MEETING SUMMARY

Membership:

Bart Hollis reported everyone should have received the updated membership form in their email. He had applications for 3 new members- Bill and Nancy Creamer and Douglas Meyers- Lisa DeFelice motioned to accept with a second from Sue Baker- all in favor- Welcome to the Club!

Newsletter:

Terri Hollis cannot attend tonight. If you are interested in being featured in the Newsletter, please send information and pictures to Terri.

New Business/Miscellaneous:

Member Day Refresher:

Mike Baker reviewed Member Day and how to sign up for events. If you have issues, please reach out and he will try to assist.

Time to start thinking about nominees for 2027 Eboard:

If you may be interested, please reach out. We will be happy to answer any questions and will help if you join. The Secretary position will be open for 2027 as Sue Baker needs to step down. Please reach out if interested!

There being no further business or comments- Jan Gerhart motioned for adjournment, seconded by Clyde Mooney. All were in favor. The meeting closed at 8:21 PM.

Corvettes at Carlisle 2026 Delivers Record-Breaking Crowds and \$35,000+ for Charity

The annual gathering of America's Sports Car at the Carlisle PA Fairgrounds once again proved why it remains the premier Corvette spectacle in the country. Corvettes at Carlisle returned with an electric atmosphere, historic displays, and an incredible spirit of community giving.

Supporting a Greater Cause: Over \$35,000 Raised for CMAF

Pete Callaway speaks at the 2026 Chip Miller Amyloidosis Foundation charity dinner during Corvettes at Carlisle, accompanied by Carlisle Events co-owner Bill Miller and Lance Miller.

Beyond the cars, the beating heart of Corvettes at Carlisle remains the charitable efforts honoring late Carlisle Events co-founder Chip Miller.

The Chip Miller Amyloidosis Foundation (CMAF) hosted its annual dinner and auction at the Carlisle PA Expo Center, raising more than \$35,000 for amyloidosis research, awareness, and support. An additional \$5,000 was raised toward the third annual Chip Miller Memorial Scholarship to support students entering the automotive trade.

The weekend also capped off the annual CMAF Corvette raffle. Lucky ticket holder Betty Luke won a brand-new 2026 Corvette 2LT via the Pennsylvania Lottery Pick 3 drawing, with proceeds benefiting the CMAF, the Lancaster County Corvette Club, and Claire House.

Christmas Angels + Legends Car Show = One BIG Day! 🌲

Thanks to everyone's generosity, we already have about 20 themed baskets lined up! That is an amazing start, but there's still plenty of room for more.

If you have another theme basket you'd like to donate, please let me know or simply bring it with you.

We are also still happily accepting gift cards. Restaurant cards, grocery cards, gas cards, Amazon, Target, Walmart — you name it. Even those unused gift cards hiding in a drawer can be put to wonderful use.

Every dollar raised through Christmas Angels helps make the holidays a little brighter for families at Clare House, and year after year the generosity of the Lancaster County Corvette Club continues to amaze.

Thank you so much to everyone who has already donated, volunteered, or offered to help. Now get ready — Legends is almost here, Christmas Angels are coming, and it's going to be a BIG day! Feel free to message or text me with any questions.

LCCC SEPTEMBER E-Board Meeting Minutes

LCCC September E-Board Meeting Minutes

The Executive Board Meeting of the Lancaster County Corvette Club was held on Wednesday, September 23, 2026, at the Baker's home beginning at 7:02 PM. Present were Mike and Sue Baker, Jim and Sharon Roberts, Bart and Terri Hollis, Scott Breneman and Mary Anne Lewandowski.

Concerns for Members: Sharon reported that she heard from Angie Evans that Rick is home. He is getting rehab a few times a week.

Old Business:

Raffle Car Update:

Upon review of the breakdown provided by Tony and Lisa DeFelice for the Raffle Car. It was discussed that the cost of the additional fee for having the Club's taxes completed due to the raffle car, the cost of the charitable registration and the bank service charge for the deposits should be taken from the raffle car proceeds before the donation was distributed. It was agreed that we should round the donation amounts up to the nearest hundred with a motion by Scott Breneman and a second from Terri Hollis with all in favor.

Trailer Maintenance:

Scott Breneman reported the trailer inspection is complete. He and Mike will schedule 2 days to complete the work on the roof. Bart Hollis also noted he could assist. They will look at possibly doing this next Friday (10/2/2026).

Activities/Parades/Competition:

Activities Update/News: Bart and Terri Hollis reported they dropped off additional items to the food bank for the Club.

Parades Update/News: Nothing new to report.

Competition Update/News:

Mike Baker brought up to Scott that it was suggested Maytown's airport may be a good place to see if we could complete an Auto Cross. Scott will look into this and report back. We would need to get in touch with whoever owns the airport to see if they would agree to us using the airport and ensure it meets the needs of an Auto Cross.

Shows Update/News:

Nissley- Sue Baker reported there were 52 people pre-registered, had about 80 total. 17 LCCC members attended. Social media I believe was a huge help in boosting the numbers. Food truck emailed that they ran out of food supply.

We received an email from Erica stating that they had great feedback about the event. They doubled their wine sales from the previous year and will copy Sue on the email they send to Clare House to state how much will be donated. They invited us back for 2027 if we are interested. Mike and Sue would be willing to chair the event again. We will meet with Erica to change the flyer a little, but the event went very well overall!

LCCC SEPTEMBER E-Board Meeting Minutes

Vice President:

Lisa DeFelice reported she is forwarding any subscriptions that come in the email to Mary Anne and Sharon. She has contacted the Timbers, and everything is set for our December meeting. The Lancaster Chamber Singers will perform at 6:45pm with the meeting at 7pm and dinner at 7:15pm. She is looking at options for the Spring.

President:

- i. **Clare House Brunch-** Jeff Murphy, Kelly Sylvester and Mary Anne Lewandowski will attend the brunch at Bent Creek on Saturday. Mary Anne will speak about our Club and what we do for Clare House and charity.
- ii. **New Contact at John Sauder-** Candi Sauder King, John Sauder(owners) and Sean McCall. Mary Anne will take flyers to them.

Governor's Report:

Scott Breneman reported he received information that there was no record we paid NCCC dues for 2 new members. They are showing current, active memberships. Scott will reach out to the Chair and send out information to everyone.

Membership: Bart Hollis noted nothing new to report right now. He will look at ordering new supply of membership cards to leave in cars or give to people interested in joining the Club.

Newsletter: Terri Hollis has nothing new to report.

New Business/Miscellaneous:

a. **Member Day Refresher-** Mike Baker will do a refresher on Member Day at the next General Meeting for new members and anyone needing assistance.

b. **Open positions on Board in '27-** Sue Baker is going to step down from her position as Secretary after this year. There was discussion on how to get more people to join the E-Board. Discussed having one meeting per quarter be in person and the other two being virtual with the opportunity to call for it to be in person if needed. The E-Board will continue to discuss.

c. **Membership Renewal** should be in the Newsletter this month with the new costs.

d. **Bart** reported that the Food Bank was very thankful for our donations of food after the last meeting!

There being no further business – motion to adjourn by Bart Hollis, seconded by Lisa DeFelice and approved by all- the meeting was adjourned at 7:50 PM.

National Corvette Museum
Collections Facility
Tours Begin January 2027

Beginning Jan. 13, 2027, guests at the National Corvette Museum can go behind the scenes of America's Sports Car with guided tours of the Museum's new 66,000-square-foot Collections Facility in Bowling Green, Kentucky. Designed to preserve Corvette history for generations to come, the Collections Facility expands the Museum's capacity for vehicle preservation, artifact conservation, secure storage, and education while giving visitors the opportunity to see more of the Museum's collection than ever before. Tickets will be available online by Dec. 1, 2026. Tour capacity will be limited, and all Collections Facility tickets must be purchased in advance. Each tour ticket will also include self-guided admission to the National Corvette Museum, with both experiences to be used on the same day.

Go Behind the Scenes of Corvette History

Every Corvette has a story, and inside the Collections Facility, guests can get closer to more of them. The purpose-built facility can accommodate more than 200 Corvettes, bringing the Museum's growing vehicle collection together under one roof while creating the space and resources needed to preserve America's Sports Car for decades to come. Guided Collections Facility tours will take guests beyond the traditional Museum experience for a closer look at the work required to care for historically significant vehicles and artifacts. Visitors will explore vehicle preservation and restoration spaces while encountering Corvettes from every generation, including significant vehicles that are rarely on public display.

More Than 70 Years of America's Sports Car

The Corvette story stretches from groundbreaking design and engineering to racing, innovation, and American culture. The National Corvette Museum preserves that story through a growing collection of historically significant Corvettes and thousands of artifacts connected to the people, ideas, and milestones that shaped America's Sports Car.

Inside the Collections Facility, guests will encounter selections from this broader collection while learning more about the people and processes behind its preservation. From production and performance Corvettes to vehicles connected to design, motorsports, innovation, and cultural history, the tour provides another way to understand how Corvette became an American icon. Along the way, guests will also see the work happening beyond the Museum galleries to preserve these vehicles and artifacts for future generations.

"From day one, this expansion project is about creating a sustainable future for preserving the full story of Corvette," said Bryce Burklow, President and CEO of the National Corvette Museum. "We're safeguarding our collection to protect and celebrate the design breakthroughs, engineering milestones, and incredible donor stories that make Corvette an icon and the National Corvette Museum home to Corvette history. And soon, our guests will be able to experience that process in a whole new way."

Preserving the Legacy of Corvette

The Collections Facility represents a major investment in the National Corvette Museum's mission to educate worldwide audiences on the evolution of the Corvette, America's Sports Car, through collection, preservation, and celebration of its legacy. For the Museum, preservation is about more than storing cars. It means protecting the vehicles, artifacts, and stories that document Corvette's impact on automotive design, engineering, motorsports, and culture.

The Collections Facility provides the space to continue that work while giving guests greater access to the collection and a deeper understanding of how the Museum cares for Corvette history. By bringing preservation, conservation, education, and public engagement together, the facility helps ensure the story of America's Sports Car can continue to be collected, protected, and shared for generations.

What to Know Before Your Collections Facility Tour

The Collections Facility is an active preservation and collections environment, and the tour experience reflects the work taking place inside. Guests should review the following information before purchasing tickets:

- Tours include extended periods of standing and walking.
- Rollators, electric scooters, and strollers are not permitted.
- Canes and wheelchairs are permitted. Complimentary wheelchairs are available upon request.
- Children must remain closely supervised throughout the tour.
- All Collections Facility tickets must be purchased in advance.
- Tickets will not be sold at the Collections Facility.
- Collections Facility admission and National Corvette Museum admission must be used on the same day.

Tour availability will be limited, so guests are encouraged to plan ahead and purchase tickets in advance.

A New Way for Museum Members to Explore the Collection

National Corvette Museum Members have another way to explore Corvette history through the Museum's Member portal, which includes digital access to Corvettes in the Museum's collection and the stories behind them. The portal complements the opportunity to experience the collection in person through the Museum and limited Collections Facility tours.

Together, these digital and in-person experiences give Members new ways to connect with the collection they help preserve while providing greater access to the vehicles and stories that make the National Corvette Museum home to Corvette history.

Plan Your Visit to the National Corvette Museum in Bowling Green

Located just off Interstate 65 in Bowling Green, Kentucky, approximately one hour north of Nashville, the National Corvette Museum is the destination for the history, innovation, and community surrounding America's Sports Car. A visit to the Museum takes guests through generations of Corvette design, engineering, racing, and culture, connecting more than 70 years of history with the Corvette of today.

Beginning Jan. 13, 2027, the Collections Facility adds another dimension to that experience, taking visitors behind the scenes and closer to the work of preserving Corvette history. Whether Corvette has been part of your life for decades or you are discovering America's Sports Car for the first time, there will soon be even more to explore in Bowling Green.

Collections Facility tours begin Jan. 13, 2027. Tickets will be available online by Dec. 1, 2026. All tour tickets must be purchased in advance, and availability will be limited.
